**Each November, as we approach Veterans Day, the 9/11 Memorial & Museum Summit on Security brings together some of the world's leading experts from across the public and private sectors to discuss how we can all make our companies and communities safer.**

This year's event will offer a suite of impactful, on-demand content, available to all registered participants, with an in-person experience at the Museum exclusively for sponsors and their guests.

The Summit builds upon the Museum's powerful connection to national security and counterterrorism, which is actively explored throughout the year in public programs and professional programs serving law enforcement, intelligence agencies, and the military. Sponsorship funds support our annual Salute to Service, which includes free visits for veterans and their families, as well as our public and professional programs.

**SPONSORS AT ALL LEVELS RECEIVE:**

- Unlimited registration for employees to access on-demand Summit programming
- Branded recognition as a 2022 Summit sponsor
- Ongoing recognition for one year as a supporting patron of the 9/11 Memorial & Museum Public and Professional Programs
- Recognition on the 9/11 Memorial & Museum and Summit websites and in the 2022 Annual Report
